REMARKS

As you can see from the enclosed memorandum to members of the President's Council on Management Improvement (PCMI), we are reviewing Executive orders (EOs) in order to determine which should be eliminated, consolidated or revised. In the enclosed attachments covering EOs from 1961 to 1981 and from 1981 to 1985, we have attempted to determine which apply to which agencies. We would appreciate your review of EOs noted for your agency and response within four weeks as to whether they are current or should be modified, rescinded or consolidated.

MEMORANDUM TO THE PRESIDENT'S COUNCIL ON MANAGEMENT IMPROVEMENT

FROM:

Arlene Triplett
ARLENE TRIPLETT
ASSOCIATE DIRECTOR FOR MANAGEMENT

SUBJECT:

Next Steps in Study of Presidential and Central
Management Directives

We have reviewed your comments on our February 14, 1985, proposal for a PCMI study of Presidential and central management directives. In light of your favorable response and thoughtful comments, we are now getting the study underway, with the assistance of the Department of Justice, starting with the Executive orders (E.O.s). As a number of you observed, agencies already made a good beginning in this area in 1981 in response to requests from the Vice President concerning E.O.s for the years 1961-1981. I am attaching copies for your reference of memoranda your agency submitted then.

In our current effort, we would like you to broaden somewhat the scope of your review of the E.O.s. The starting point will be reconsideration of the E.O.s addressed by your previous sub-missions. In addition, using the Codification of Presidential Proclamations and Executive Orders, published by the Office of the Federal Register, please take the lead in reviewing the E.O.s which relate mainly to your agency. We have identified these E.O.s by Chapters in an attached list. Please let us know if this list is inaccurate in any way. The study will also include the more recent E.O.s. We are, therefore, attaching a list, with Chapter assignments, of E.O.s for the period January 20, 1981, through January 20, 1985.

Once you have identified the E.O.s for your review, you should categorize and group them as follows:

- (a) those which are specific to your agency only;
- (b) those with broader application, applying to your agency but also to several others (please identify these other agencies); and
- (c) those which are governmentwide in application.

For each E.O. with relevance for your agency, we would appreciate identification of any specific problems or concerns, along with your assessment and recommendations regarding them. Evaluation of the E.O.s may, for example, indicate:

- (1) technical changes because of inconsistencies across E.O.s, organizational changes, out-of-date sunset provisions, etc.;
- (2) consolidations of E.O.s in the same functional area for "regulatory" relief on agencies and/or the public;
- (3) elimination of all or part of an E.O. because events have overtaken past needs, etc.; and
- (4) other.

Please do not indicate proposed policy changes as part of this study. If you recommend modifications in E.O.s, please indicate the type of change (which of the four categories) and include specific proposed language for one or more new omnibus E.O.s.

Thank you very much for your assistance in this important project. We would appreciate receiving your responses within four weeks. If you have any questions, please call Barbara Young on 395-3053.
